

Hahndorf Resort

Managed by Discovery Parks

DOG GUIDELINES & CONDITIONS FOR SITE BOOKINGS ONLY

Updated as at 17 December 2020

Thank you for choosing to stay at Hahndorf Resort (managed by Discovery Parks). We welcome all members of your family, including your four-legged loved ones.

Like our family members, we want to keep them safe at all times. Below are our Guidelines & Conditions to ensure the safety, comfort and well-being of all guests in our park. These guidelines also help to ensure you and your 'Fur children' enjoy your time away. Please note that additional conditions may also apply and are at the discretion of the park manager.

The following Guidelines & Conditions apply to guests staying in a Dog-friendly park:

- One (1) dog per accommodation booking; a second dog may be permitted with the approval of Park Management. No more than two (2) dogs permitted per accommodation booking. Please note that some breeds of dogs will not be accepted. Please contact park reception if you have any questions or concerns, Ph: (08) 8388 7921.
- Service Dogs are always welcome.
- Your dog(s) must be supervised at all times whilst in park.
- Just like children, your dog(s) must not be left unattended in any area of the park. This includes being left inside cabins, tents or vans on their own.
- Your dog(s) must remain on a lead at all times within the park unless otherwise indicated in dog-friendly fenced off areas.
- As the owner of your dog(s), you are acknowledge that you are personally responsible for any and all personal injuries and/or property damage in relation to any actions caused by your dog(s).
- Your dog(s) are not permitted in any food preparation or children's play areas of the park. This restriction extends to cafes, camp kitchens and outdoor eating areas, aquatic play areas, playgrounds, jumping pillows and any other restricted area designated by the park.
- We ask that you pick up and dispose of your dog's waste in bins provided.
- Your dog's personal bedding should not be washed in the guest washing machines. Some parks may have a designated washing machine for dog bedding – please enquire at reception.
- We ask that your dog(s) is registered, microchipped and has been fully vaccinated (all flea, tick, & worming vaccinations up to date).
- You acknowledge that you may be asked to leave the park and forfeit payments if you fail to comply with these guidelines.
